“Life Goes On”

The Starlight Inn, in Schiller Park, was the host of the 1974 prom, “Life Goes On”. Couples began gathering at 7:00, with dinner being served at 7:30. The rest of the evening was left for dancing with music provided by the sound of Newberry Castle.

The high point of the end of the evening was the crowning of the prom queen, this year honoring Judy Huck with the title. Included in her court were Maureen Naughton, Julie Pulver, Lisa Schab, Dawn Sander, and Jeanne Clark.

This year’s prom was sponsored by the Junior Class of 1975. Those officers in charge were Tom Langeloh, Jan Bielinski, Sandi Heideman, and Lynn Sandlund.

The Mime Club Presents, "Where Were You When The Sound Went Off"

On April 26, 1974 the Hersey Mime Group presented a fine show entitled, "Where Were You When the Sound Went Off?" It dealt with eight different mime interpretations. The group put in a great deal of time and practice to make the production a rewarding experience. Many of the mimes were written by a senior, Andy Libman. The faculty sponsor of the group was Mrs. Pam Fraser, with special recognition to Mr. Wally Bivins. The cast included: Lauren Beach, George Bozliniski, Ryan Plank, Val Puzzo, Wendy Erdenberger, Beth Zold, George Simon, Andy Libman, Donna Lenard, Angie Simopoulos, Moissette Sintov, Colleen Joyce, Karen Tyrell, and Janine French. The highlight of the evening was an enthusiastic response to the performance of "Da Vinci's Last Supper." By the end of the program the audience rose in a standing ovation.

Summer Musical

"Oklahoma"

Rodgers and Hammerstein's delightful musical, *Oklahoma*, was presented on August 1, 2, 3, and 4 by the joint efforts of students from Hersey and Buffalo Grove High Schools. The musical, starring Mike Ellis as Curly and Diane Gabbei as Laurey, took its setting in the Indian territory, which is now known as Oklahoma. The time-setting set the play at the turn of the century. The co-starring role of Ado Annie was brilliantly portrayed by Diane Buteau and Nancy Weinberg, two of Hersey's outstanding actresses. These efforts, combined with those of other cast members, crew, and musical accompaniment, proved the play to be one of the finest ever staged in our school district.

The play was skillfully directed by Mr. Jerry Lowe (Hersey) and Mr. John Marquette (Buffalo Grove).

A Homecoming Extravaganza!!

Never before has there been a busier Homecoming at Hersey as in 1974! Many of the great traditions continued with a few extras added to the activities.

One of the highlights of the week was the powder puff football game on Tuesday night. The game was complete with rough, tough playerettes and big, brawny cheerleaders (supplied from the male population of the school). The teams played to a 0-0 tie.

Wednesday was 50's day! Students dressed in their favorite outfits and a few students were even seen skating down the halls during passing period!

Homecoming would not be complete without hall decoration day. The Pomberets won top honors.

Coronation was held on Thursday night with Lynn Sandlund being elected Queen and Eric Strutz the King. The decorating crew did a great job in creating a royal atmosphere for the evening.

Climaxing the great week was our exciting victory over the Bison of Buffalo Grove.

The all important Homecoming Dance was held on Saturday night. Students danced to the music of "Cannon."

“Bus Stop” Introduces Theatrical Year

On the weekend of October 25 and 26, the Hersey Theater presented “Bus Stop,” a comedy by William Inge. The superlative performance greeted a rather large audience. The play did not consist of a plot, rather it developed a series of character portraits.

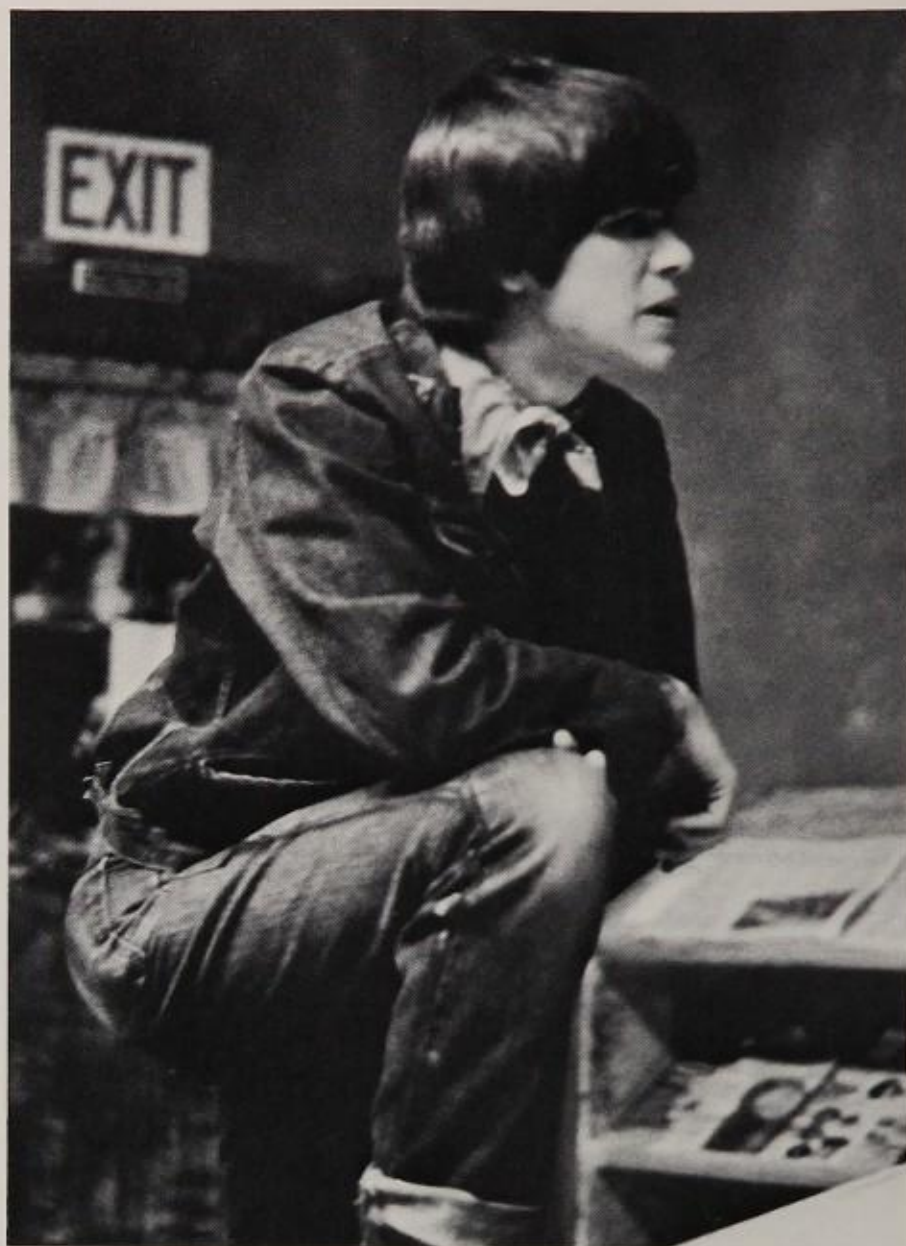

The lead roles were portrayed by Diane Buteau, as Cherie, and Scott Rothermel as Bo Decker.

This comedy, which takes place about 30 miles west of Kansas City, centers around an arrogant cowboy’s love for a shady night club singer. They, together with a group of several unique individuals, were gathered in Grace’s Diner after their bus was stranded during a blizzard.

Other cast members included: Laura Bobowski, Jill Thomas, Carl Wurtz, Cameron Pfiffner, Bruce Granquist, and George Simon.

The play was designed and directed by Jerry M. Lowe. The technical director was Robert Berry.

Huskies Play In Fourth Straight Super Bowl!!

Hersey football teams have provided their fans with action and excitement ever since the first Huskie team marched on the gridiron. This year was no exception! Winning is something that is tradional in Huskie country. This past season our varsity squad played in its fourth straight Super Bowl and was crowned North Division Champ for the fourth consecutive year.

The highlights of the season were many, but perhaps the most exciting moments came at the tension filled game against Buffalo Grove at Homecoming. Through skill, determination, and spirit, the Huskies stopped the Bison stampede by beating them 14-13 before more than 6000 fans. The Huskies played a fired up Schaumburg team for the M.S.L. championship but fell short, losing 7-6.

Hersey placed eight players on the Mid-Suburban All-Conference list. They included Scott Topczewski, Jeff Forster, Dave Carey, Kevin Temesy, Roger Urban, and Paul Cortez.

Varsity Golf

This year the small ballers really teed-off. The golf team had a fine year this year winning their first 11 meets and then losing their next 5 meets. They placed first in the Conference meet. They then, because of the *law* of averages were 2nd in Conference.

Of the Varsity golfers that played regularly, all but one will be returning next year.

One outstanding golfer was Ed Stubbs. He set team records and also took first in the individual honors. Also outstanding on the fairway was Ray Hafner. The only senior that played, Ray tried harder in the number 2 position. The overall team average for the year was 160.7. The high average of the team was shot by Ed Stubbs with a 42.

Coach Kintzle, this year had alot to be proud of during the course of the season and one can expect the same from next year's team.

Cross Country

Loneliness is always associated with the long distance runner. An athlete has to overcome this loneliness to become great. There were several runners who accomplished this feat.

This year the Husky Harriers finished with an impressive dual meet record of 9-3. In the Conference meet, the Huskies placed 9th and improved to place 5th in the District meet which enabled them to go to the Sectional meet, where they placed 15th.

The nucleus of the team included Craig Hanssen, Hal Stembridge, Dave Jones, Jay McCarthy, and Ron Stephanie. These runners were the backbone of the team, being supported by those not always in the limelight. In all, the Cross Country had a good season this year and the student body should look for a good team next year in their continuing of a tradition.

Nostalgia Returns To Hersey Gym

On Saturday, September 7, nostalgia once again returned to the Hersey gymnasium. Rockin' and rollin' to the music of "Crystal Mountain", the crowd thoroughly enjoyed the Pomberet's annual 50's dance. 'Fantasy In White' Christmas Ball, 1974

The Christmas Ball was held at the Howard Johnson Hotel Grand Ballroom in Palatine, Ill., on December 14, 1974. This was the first time that this big event was held off campus.

Music for the dance was provided by the band "Renaissance." A cola bar and hors d'oeuvres were provided for the thirsty, hungry couples.

Paula Turnbull was crowned this year's "Fantasy in White" queen. Her court included Chris Giannini, Janet Kasper, Liz Malecki, and Pat Ways.

The evening of December 14, 1974, will be remembered by all who attended. Miss Joan Sandberg and the senior class deserve special thanks for a truly outstanding evening.

'Blithe Spirit' Spooks Hersey Audiences

'Blithe Spirit,' an improbable farce by Noel Coward was presented by the Hersey Theatre on December 6 and 7. The sophisticated comedy was ably portrayed by the cast which included Nancy Wildberger (Elvira), Laura Paa (Ruth), Mark Horowitz (Charles), Mary LaPlante (Mrs. Bradman), Cameron Pfiffner (Dr. Bradman), Char Reinhold (Madame Arcate), and Lily Trofimoff (Edith). They received a well deserved standing ovation from the near capacity audience.

The plot revolved around the ghostly return of Charles' first wife, Elvira, after Charles had been remarried seven years to his second wife, Ruth. Situations became hilarious as Elvira was visible only to Charles. Elvira planned the death of Charles so that the two could be rejoined; instead Ruth was mistakenly killed. Their bickering continued in their afterlife and in midst of the crumbling stage, Charles deserted both to find a new life.

Basketball Huskies Rebuild After Loss Of Veteran Players

With memories of prestigious 1974 Elite Eight status and a trip to Champaign still dancing in the minds of Huskie basketball players and fans, the basketball team started the season with great hopes for a super year. These hopes soon faded as the season went on, and the fans soon realized that it was not the year of the Husky as far as basketball was concerned.

Hersey suffered a great loss of key veteran players through graduation and a transfer. Much responsibility was placed on the shoulders of new varsity players and the veterans, Clyde Glass and Rich Madison. This year's Huskies had to follow the glorious path laid down by the great team of last year.

But what can be said about a 7-19 season? Despite the many opinions and reasons offered for the apparent lack of success this year, our Huskies were still Huskies and they played their hearts out each and every game. Many games could only be called heartbreakers, including the contests against Buffalo Grove where both games ended in ties, but where the Huskies were edged out by slim margins in overtime. Many games were similar in that we were so close but yet so far!

Earning an All-Conference position this year in the Mid-Suburban League was Clyde Glass. Clyde supplied the team with rebounding strength and great shooting.

Despite many heartbreaks and moments of sheer frustration, the shouts of loyal Huskie fans could always be heard by competing schools. Fan feelings toward the team could be summed up in our popular team cheer, "WE ARE HUSKIES, WE ARE GREAT!"

Wrestlers Win M.S.L. Conference Championship!

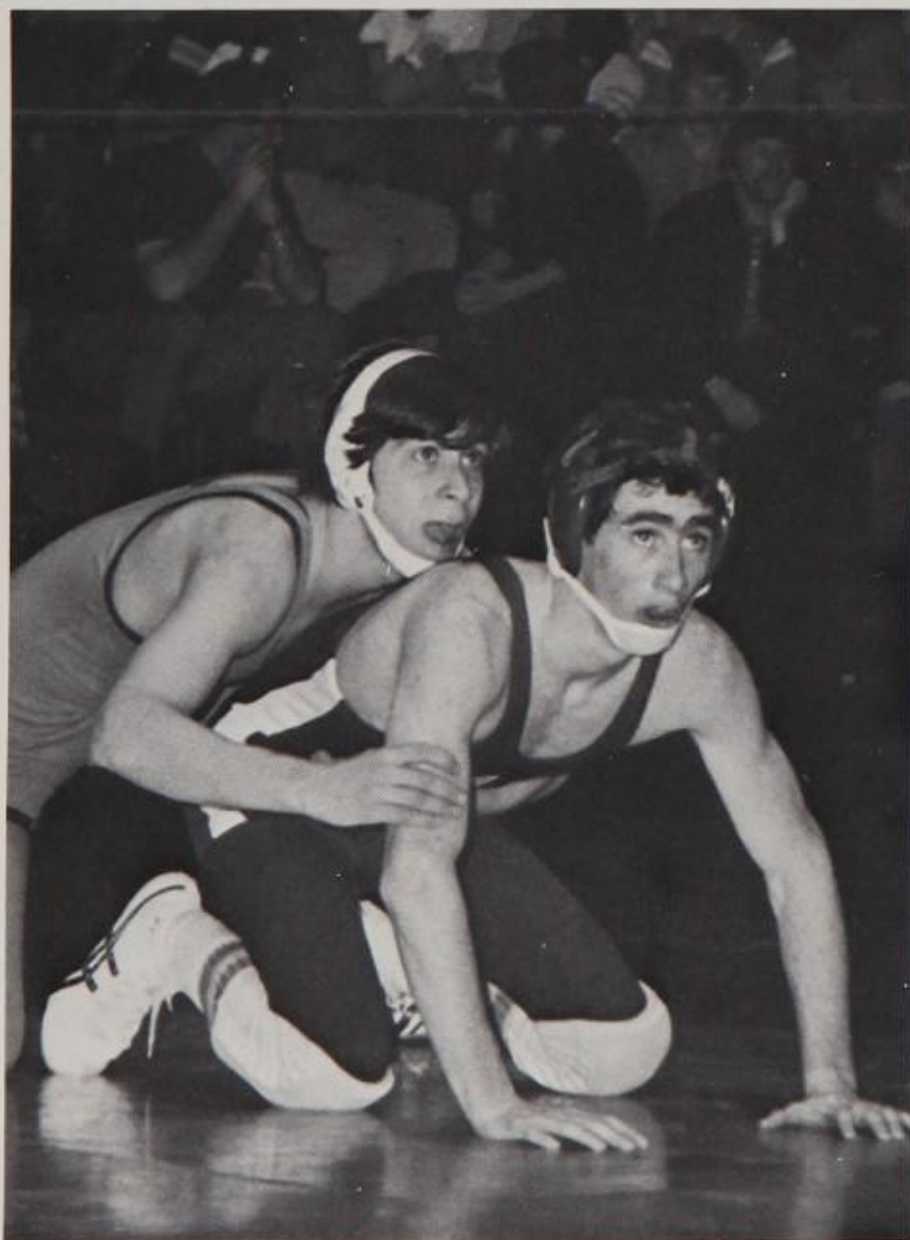

The Huskie grapplers once again upheld tradition by capturing their fifth straight Conference title. For the first time in five years the Huskies lost a Conference dual meet. The team captured the District title by qualifying seven wrestlers to advance to sectionals. After a very tough sectional, three grapplers went on to the State Finals in Champaign. They were Mark Furlong, Eric Strutz, and Gary Hodge. Coming out on top for the Huskies was Mark Furlong with a second place finish in state competition.

All in all, it was a great season for our wrestlers, and we look forward to great things in the future.

Gymnasts Win Third Place At State Meet

Our Hersey gymnasts completed another great season by finishing third in the annual state meet at Prospect High School. The Huskies also kept up their domination of the Mid-Suburban League by winning the M.S.L. Conference Championship for the fifth time in six years. This year, after winning the conference championship, our Huskies moved on to capture the District and Sectional Championships!

After a tough sectional meet there were eight gymnasts left, filling twelve positions in the preliminaries at Prospect. Qualifying for the finals on Saturday night were Brian Covelli, Mike Kropp, Kevin Muenz, and Keith Oehlsen. Also contributing to the team points during the weekend were Vince Corrado, Gregg Manning, Dan Muenz, and Jeff Salcedo.

Congratulations are in order for a super gymnastics coaching staff and for each and every gymnast who did his best to spread Hersey gymnastics fame throughout the state of Illinois.

Swimmers Splash To 12-2 Record — Finish Second In Conference

Despite the continued absence of a home pool, the Huskie swimmers were able to splash their way to 12 wins and 2 losses in regular season competition. They scored 198 points to win second place in the conference and scored 162 points to land a third place in district competition.

The Hersey swim team is unique in that it has three All-American divers. These All-Americans are Bill Cashmore, Jeff Speakman, and Tim Brennan. Chris Tague also did a fantastic job for the Huskies as he achieved state and national ranking in the 200 and 500 free style. Bill Cashmore and Jeff Speakman were first and second place diving champs in conference and district competition.

“Dames At Sea” Sails To Success Before Capacity Audiences

The John Hersey High School Theatre presented the musical, “Dames at Sea” on March 6,7,8 and 9. The production lyrics were by George Haimsohn and Robin Miller and its music was written by Jim Wise.

The production proved to be a great success as there were capacity audiences on the first three nights. All of the performances received a well deserved standing ovation. Credit should also be given to the production crew for doing a great job with the scenery.

The main roles included Mona Kent, an established conceited actress; Ruby, a stage struck starlet from Iowa who longed for her “big chance” on Broadway; and Dick, a sailor whose ambition was to become a famous composer. After a series of mishaps, all turns out well, as do all light-hearted musicals.

Laura Paa and Elaine Turner were double cast as Mona Kent. Diane Buteau and Scott Rothermel were outstanding as Ruby and Dick. Other cast members included Bill Hellyer as Lucky, Nancy Wildberger as Joan, Mark Horowitz as Hennessey, and double cast as Captain Courageous were Cameron Pfiffner and Mark Granquist.

The play was directed by Mr. Jerry Lowe. Set construction was guided by Mr. Robert Berry.

Marching Huskies High Step Their Way To Pasadena, California!!

The John Hersey High School marching Huskies departed from O'Hare International Airport for Los Angeles, California, on December 30, 1974. Their objective was to participate in the 86th Tournament of Roses Parade.

The day of the parade was long indeed! The band was required to be at the parade route at 6 a.m. Despite the early hour and the long drive from the motel to the parade site, the Huskie band was fired up and full of enthusiasm as they turned the corner to face network television cameras and millions of television viewers. "The Pride of Illinois" made it big on national television.

Through the help of countless donors, the band raised in excess of \$50,000.00 for their trip expenses. Marching in this prestigious parade on January 1, 1975, was not the band's only activity. The band spent two days in Anaheim, California, right outside the gates of Disneyland. The band also toured the construction site of some of the beautiful floats that were in the parade. The band toured Universal Studios and took a ride down the famous Sunset Strip. Viewing some homes of great Hollywood stars was also a high point.

The band spent some free time at Knott's Berry Farm and the wonderful world of Disneyland. The band also marched in a parade down the main street of Disneyland. The final day was spent at Lion Country Safari with lunch at the shore of the Pacific Ocean.

The flight home to Chicago brought many tired band members back to the wintry world of Illinois, but the sun and fun of California will always remain deep in their memories.

Orchesis Dance Theatre Presents "Revelations"

"Revelations" was presented by the Orchesis Dance Theatre on March 21 and 22. The show was, as usual, an outstanding success! The special lighting, carefully designed costumes and sets all contributed to the showmanship of this Orchesis spectacular. Under the watchful eye of sponsor Vicki Jacobs, the Orchesis really worked hard to present an enjoyable evening. The dances were creative and striking.

One of many outstanding dances performed in the show was "Makosa Man," an unusual jazz dance portraying man from his primitive state to contemporary times.

"Buttons and Bows" was a cute novelty dance depicting the old West.

"Contrasts and Variations" was a modern dance accompanied by live music.

The girls involved in this production were Laura Bobowski, Wyndy Brenton, Mary Castronovo, Carol Cooling, Adrienne Farnaus, Sue Hanlon, Rhonda Horstman, Helene Kelly, Kim Krause, Jeannie Martinelli, Kim McKinney, Peggy Pennisi, Laura Moirano, Sue Moore, Jayne Morava, Joelle Peterson, Debbie Rosnick, Patti Salm, Sue Schmitt, Martha Selinger, Jan Vrabel, Pat Ways, Beth Zold, and Kathy Zold.

My name is Francois Febvay. I am seventeen years old and live in Dejon, France. It is a town of 100,000 situated about 200 miles southeast of Paris in the center of France. At home I have one brother who is sixteen years old. My father is manager of a loan bank and my mother is a housewife. I graduated in France from a new school of about 2000 students. When I return to France I will go to college where I'll study general business. Living with the Strutz family, I have found the American education system very different from France. Hersey is a terrific school! I think the students have a lot of freedom and close relationships with the majority of the teachers. The classes are more relaxed than in France. I have really enjoyed playing football with the Huskies. I have found the most fantastic school spirit at Hersey and I hope the school stays as great as it is now through the years.

My name is Jeanny Dondlinger. I am an A.F.S. student from the Grand-Duchy of Luxembourg, a small country between Germany, France, and Belgium. During my stay in the United States I lived with the Robson family in Arlington Heights. Both of my host sisters (Kim and Terri) go to Hersey. I like Hersey because of its interesting educational program, its spirit, and all its activities. This year the Hersey band has been a real big experience for me, for in Luxembourg there are no marching bands. The participation of the band in the Rose Bowl Parade was an outstanding performance that I enjoyed very much. As solo chair clarinet player of the Symphonic Winds, I'm learning a lot which will be helpful in my possible future career as a musician. I want to thank the faculty and all my classmates who accepted me with friendliness and understanding and who all contributed to make my senior year at Hersey unforgettable for me.

I am Oya Akisan, an A.F.S. student from Istanbul, Turkey. I am living in Arlington Heights with my American family, the LaPlantes. I have two sisters in my family in Turkey. After attending my small high school of two-hundred and fifty in Turkey, Hersey seemed very big to me. I was surprised to see the importance of sports in school life. I like Hersey's school spirit and the performances of the Pomberets, whom we don't have in my school in Turkey. I like Hersey because it offers many courses and I like being able to choose the classes that I like. I will continue my education when I go back to Turkey. I would like to have a profession by which I will be able to help human beings. I am a student of the piano at Istanbul Conservatory. I also give piano lessons to small children. I have enjoyed Hersey and would like to thank everyone who helped me make the right adjustments to my new school. I would like to thank Mrs. Bandelow and Mrs. Yates. It was very nice being with Hersey students. Thank you very much!

Editor-in-Chief Bill Hellyer and Assistant Editor Cindy Krejcik hope that the student body will forever remember these Huskie memories of 1974-75.

It seems as though the school year passes very quickly for those who are involved in various school activities. This is especially true for those students who worked on the yearbook staff this year. Plans were made in September, hundreds of hours were worked during the year, and those big deadlines were met. All of a sudden it was time to send the last pages to the printer and reflect on our great appreciation for those many people who helped us put this yearbook together. The yearbook staff sincerely hopes that the student body of John Hersey High School enjoys this book as much as we enjoyed publishing it.

Publishing a yearbook for a school the size of Hersey requires the coordinated efforts of many people. We would now like to thank these people and give them the recognition they deserve.

First of all we would like to thank the school administration, faculty, and students for their constant cooperation.

We would like to thank Root Studios of Chicago, Illinois, for providing our staff with outstanding senior and under-class portraits as well as the hundreds of candid photographs that they processed for us during the school year. Special thanks go to Mr. and Mrs. Norb Dompke for their tremendous cooperation and, of course, to Mr. Joe Ogata for rushing pictures to us for those important deadlines.

We would like to thank Mr. Bert Nyberg for taking some very important and impressive pictures of the award winning Hersey band, especially during the Rose Bowl Parade trip to California. We would also like to thank Mr. Bill Temesy for donating some very exciting football action photos to our yearbook.

Also deserving thanks this year is Miss Jill Gordon ('74) who donated many hours of her time during her winter vacation from college to help us meet a very important January deadline.

So, with thanks to many people, we, the staff of this year's *Endeavor* close this book with visions of great things to come and future exciting years at Hersey.
